## Precision Golf School & Precision Tennis Academy... The Triad's Leader in Instruction at home in Bur-Mil Park!

Since March, 2004 Robert Linville's Precision Golf School has called Bur-Mil Park home. Featuring 13 instructors in the Precision Golf network, they offer adult and junior programming for players of all skill levels. Precision Golf is directed by '93 Carolina's Teacher of the Year, Robert Linville and the junior programs are led by two-time Top 50 Kids Teacher in America, Chris Harlow. In the Fall of 2005, Precision opened the Precision Training Studio which features 3 indoor hitting bays, putting studio, club repair shop, golf fitness studio & the corporate offices. With the new additions, Precision Golf is now available for lessons 363 days a year at the Bur-Mil facility.

In addition, Bur-Mil is home to the Triad's most experienced tennis instructors, Dave McCain and the Precision Tennis Academy. Dave and his staff offer adult and junior programs for players of all skill levels. New player programs are available during the day and evenings in addition to junior programs in the afternoons and Saturday. Dave joins Precision Tennis from Tampa, Florida where he served as Academy Director of the famed Saddlebrook Academy, the junior home to top tennis stars Martina Hingis & Andy Roddick. Come experience the difference today at the newly renovated Bur-Mil Park Tennis Center.

For more information on Precision Golf & Tennis, please contact Mike at 510-4653 or stop by the Precision Studio. Precision is also available online at [www.precisioninstruction.com](http://www.precisioninstruction.com).

## Employee Spotlight

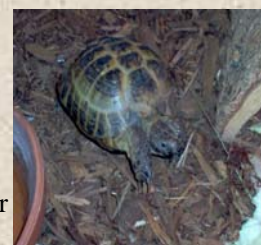

Gordon Summers, Clubhouse Technician, has been employed at Bur-Mil for the past year and a half. Since Gordon joined the Bur-Mil team, the clubhouse feel has gone from clean and enjoyable to warm and inviting. Gordon is responsible for the upkeep of the 11,500 square foot Meeting & Events Facility, which includes room set-ups, day to day maintenance, and interior and exterior building up keep.

This June, Gordon was named *Employee of the Month* for the City of Greensboro's Parks and Recreation Department. "I like my job because it is so diverse. I enjoy working with our staff and being part of the team. I also enjoy meeting and helping our Bur-Mil Customers." When Gordon is not at the park, he enjoys spending time outside with friends and family. Congratulations Gordon!

## New Residents Move into the Wildlife Education Center

During the month of June, Bur-Mil Park's Frank Sharpe Jr. Wildlife Education Center had three new residents permanently move in. Theo and Lola are Russian Tortoises that were donated to the center. If you bring green beans, Theo will eat them right out of your hand. Liza Jane is a four foot long green Iguana. She was adopted from the Guilford County Animal Shelter and lives in her brand new Iguana habitat on the lower level of the center. Thanks to Patio Enclosures for their generous donation for the habitat. Stop by today and meet Lola, Theo, and Liza Jane.
